SUBJECT: Litigation Search Results for US Patent 5,891,143

Attached are the litigation search results for US Patent 5,891,143. The search was conducted in three databases: Inpadoc, Lexis/Nexis, and Questel. Here is a summary of the results.

- Patent family and legal status (from Inpadoc)
- Legal status (from Questel)
- Brief descriptive information (from Lexis/Nexis)

There were no litigation alerts, patent status records, or claims/reexam/reassign/reissue records on the patent in Questel. There were no law cases, law journal articles, or current (last two years) news stories on the patent in Lexis/Nexis.

I hope this information is useful. Please let me know if you have any questions or need more information.
